### Presenters:

#### International:

##### **Karla Fraser**

*Senior Project Manager at Urban One Builders. Vancouver, BC, Canada.*

*A timber 'novice', Karla is now a convert having observed the benefits that timber in construction can offer. She will provide insights into the now complete Brock Commons 18 storey project in Vancouver and shed some light on upcoming projects that, like Brock Commons, will change our urban landscape.*

##### **Medium Density Housing**

*Nick Brunsdon - BRANZ*

This presentation will lead discussion on projects underway at BRANZ on Medium Density Housing opportunities and its challenges. The talk will also include fire related considerations in timber construction.

##### **Compliance**

*Daniel Scheibmair - TDS & BOINZ*

With extensive knowledge on timber connections, beginning with a Master of Engineering thesis, the Past President, and now working with BOINZ, Daniel will provide a brief update on construction compliance aspects.

##### **Discussion Panel**

The event will conclude with a Q&A discussion panel.
